

The winning gardens

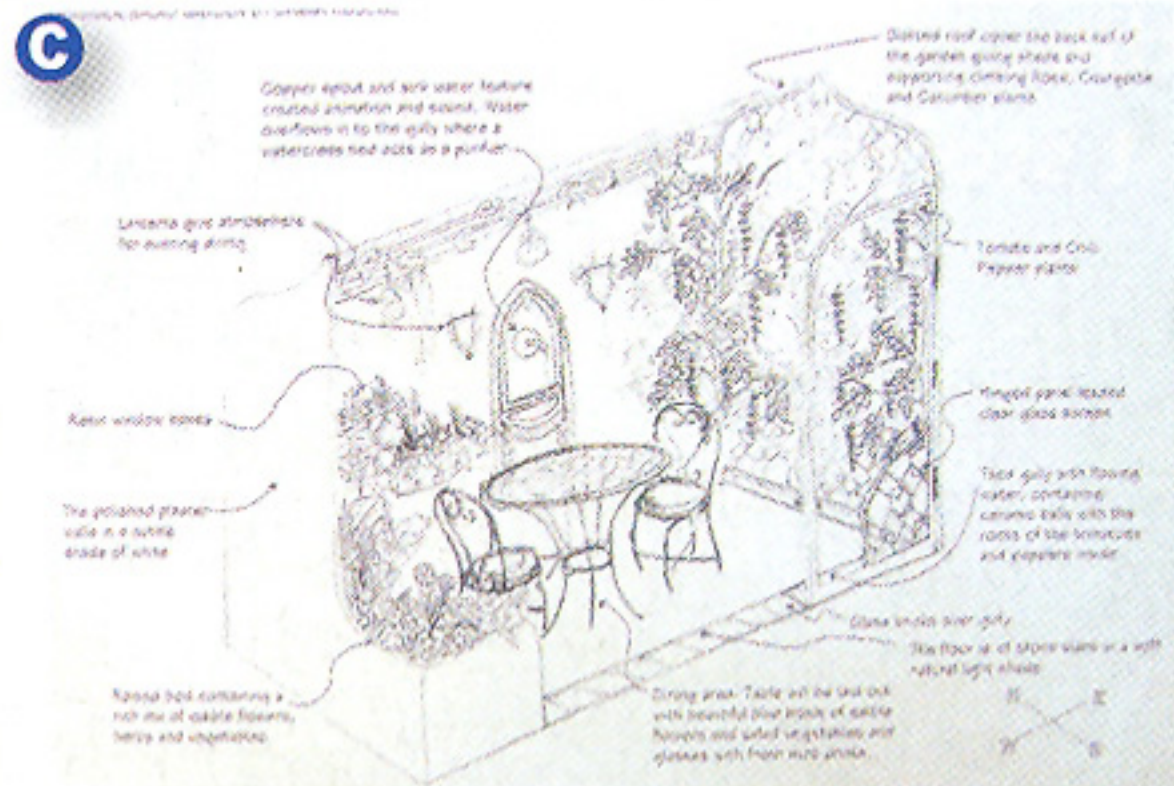

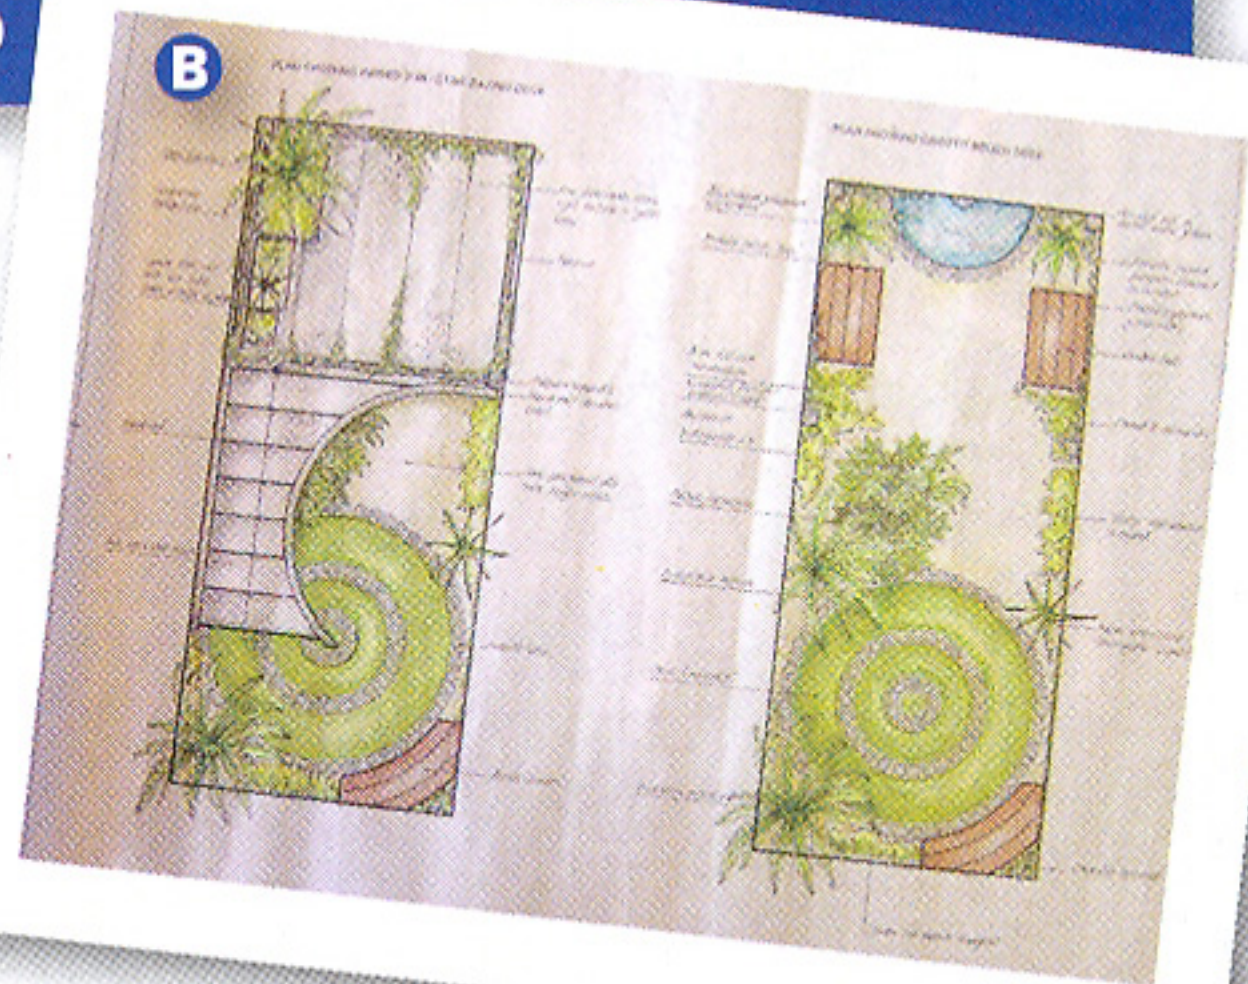

A BEST OVERALL & BEST INNOVATION
Paul Titcombe won first prize for his modern garden inspired by contemporary architecture. The design includes a solar panel on top of a parasol that provides all the energy needed to power the lights and water feature.

B BEST VERTICAL GARDEN
Nina Platt won the Vertical Garden

category with her lush, stylish garden that sits on two storeys, with a granite and moss circle to reflect the Volkswagen insignia.

C BEST EDIBLE GARDEN

Shula Roscoe's Moroccan-inspired Summer Salad Garden is both pretty and practical. Hydroponics sustain the planting – all of which can be eaten!
